Spotify Open Recommendation Engine

Sprint Review | Team Spotify Squad
Sprint 2 | 20 October 2021 ~ 2 November 2021

Actions to stop doing:
- Stop having standup on Thursday
  - → moved to Friday @ 11:45-12:00 (in the interest of productivity!)

Actions to start doing:
- Unit/integration testing
- Include/improve upon backend documentation

Actions to keep doing:
- Maintaining consistent communication via Discord
- Having small group meetings to work

Work completed:
- [FE] Recommendations page layout
- [BE] Search for a song
- [BE] Endpoint for retrieving song metadata
- [BE] Endpoint for retrieving recommendations from user input
- [BE] Endpoint for playlist creation
- [BE] Store user session data
- [BE] Create (ignored) secret file for API keys

Work not completed:
- [FE] Song info layout
- [BE] Connecting FE/BE for recommendations

Work Completion rate:
- Stories completed: **3 out of 4**

- Days in Sprint 1: **14**
- Average stories completed/day: **0.214**
